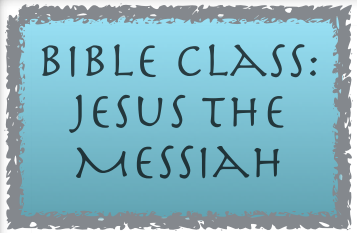
News and Events



Sunday Morning Bible Class
Visit our Sunday Morning Adult Bible Class at 8:30am, in room 215. July 25th we continued our series on Christian Apologetics with a seven week study including such topics as: The Jesus Christ of history, of Islam and of Faith, historical evidence for the resurrection, the empty tomb and more. Art Ortiz will lead this class with videos and interactive exercises.

We're Growing!
Our children's ministry is growing so we need more volunteers to help in our children's ministry. Sometimes all we need is an extra body in the room. All materials and snacks are provided for all ages 0 - 12. Please bless our kids one Sunday a month by being there for them. See Pastor Aaron or Brandi Heinly to show your interest.

Encounter Worship
We will be combining our Encounter Worship night this month with Freedom Christian Center's Night of Worship. Join us at 6pm, August 21st, at Freedom Christian Center in Viera. Come and expect to encounter God through an evening of praise and worship.

The Food Pantry at COTR
Our Food Pantry is no longer relying on the two big, yearly food drives (the Boy Scouts and the Postal Carriers) that we have in the past for most of our supply of food. Our shelves continue to be replenished by the generous donations of our church family. Thank You!! Our awesome volunteers continue to serve our church family and the public on a weekly basis. Please continue to remember us when you do your shopping. Donations are always welcome and can be dropped off during the week or left in the tub in the foyer on Sundays. Monetary donations are also accepted. Thank you again for being faithful to keep our shelves full.

Church Picnics Return
The return of the church picnic is at hand! We will once again grill hamburgers and hot dogs for the entire church right after the service on August 29th. We will also provide drinks. Please bring a chair and a friend, along with a side dish and/or dessert to share for our picnic. Refrigerator space will be available. Watch this space for news of the fun activities yet to be finalized!
