

## John 6

Faith - what He does or Who He is? (Gal 5:6)

1-15 Jesus feeds 5000 with 5 loaves and 2 fish

2 followed because of signs (healings)

14 The Prophet (Jn 1:21, Deut 18:15 - listen to Him)

15 would make Him king by force (circumstances)

disciple = follower, learner

Do we ever try to force Jesus to serve our purposes and call it faith?

16-21 Jesus walks on water (Peter Mt 14), translocates boat

22-27 Jesus uses Natural to reveal Spiritual (Hearts over circumstances)

Watch for this in our lives! (Jn 3, 4)

26 not following now because of signs (who He is), but needs (what He can do)

27 seek Spiritual Food from the Son

28-35 breakfast vs the Bread of Life (compare Jn 4)

36-40 they don't have Faith in Him (opposite results of Jn 4 - no signs)

signs got them out of Egypt, didn't get them to Promised Land (Faith - Heb 3:16-4:2)

41-42 Offended - can't see past the natural

Can we see/hear what the Spirit is doing?

43-51 only those who Hear the Father come to Jesus the Bread of Life

(won't draw who won't listen - it's how He draws)

feeding on Him (flesh) gives Life

52 Offended - can't understand (flesh = crucifixion)

Do we ever get offended when Jesus doesn't explain Himself?

53-59 Eat My Flesh, Drink My Blood, Feed on Me (communion)

Has Jesus said anything to you that you don't understand yet?

Do you know how to feed your spirit man on Jesus?

60-62 many disciples Offended - can't understand

63 Spirit (Jn 1, 3, 4) - His Words are Spirit and Life! (way we feed on Him)

64-65 Belief (Faith) required for the Father to grant access to Jesus

66-69 Faith in Who He is (no better understanding of "eat My flesh, drink My blood")

He won't meet all our expectations, but His character will never disappoint!

(nonnegotiables - God is Love, Good, Just)

Faith - better circumstances vs better revelation of Him (Mt 6:25-34)

Hear Him, Believe Him, Feed on Him = Life in any circumstance

What He does or doesn't do won't affect Faith in Who He is!
