

Purpose of the Healing Room:

Our ministry team is here to serve the community and the Body of Christ while seeking to encounter God and His endless love of every person. The team will minister the good news of the Gospel of Jesus Christ, including the impartation for healing. We believe there is power in the Word of God and God's promises to us. We release that power by declaring truth and allowing the Holy Spirit to encounter each person who seeks Him.

Mark 16:17 *“And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues, they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick and they will recover.”*

1 Thess. 5:23 *“Now may the God of peace Himself sanctify you completely; and may your whole spirit, soul, and body be preserved blameless at the coming of our Lord Jesus Christ.”*

What to Expect:

- You will be taken into the prayer room. A team of two or three team members will be praying over you. Prayer times are typically 15 minutes.
- You will be asked to stand to receive prayer. If necessary, you may be seated.
- The team members will pray for you according to the information on your Personal Information Sheet.
- The team will be sensitive to the leading of the Holy Spirit in praying for you.
- Stay relaxed and do not pray. Try to put yourself in a place of receiving all God has for you today.

- We cannot anticipate how your encounter with God will come. You may experience the presence of God in a subtle way, or your experience may be a more powerful one. The important thing is that you remain sensitive to God's Spirit no matter how He chooses to manifest Himself to you.
- God is love and everything He has for you is good. Relax and bask in His presence as you would bask in the sunshine. Allow Him to speak to your heart as the team prays over you.
- At times one of the team members may have a word for you that they believe God has spoken to them. Listen to the word and judge for yourself if it confirms what you feel God is showing you.
- Our hope and prayers are that you will be blessed by the presence of God today and that He will work a miracle in your heart and your body as you encounter Him.
